

This day

We thank our Friends,

for celebrating

our joy,

supporting

our dreams,

sharing our Love.

Chiara,  
Thank you so  
much for the gift from  
Victoria's Secret. It was so  
nice of you to think of me. You  
did a great job on my  
dress - I never got  
so many compliments

Please accept our sincere thanks

for the lovely gift.

Both the thought and the gift

made us very happy.
