Dear "Chiarina":

Thanks to your expertise, my "date" looked handsome for both of our sons recent weddings in the tuxedo that you custom-fitted for him. Not only did my husband look wonderful in his classic-style tux, but he said that it felt so comfortable to wear as well.

We appreciated your assistance and advice in selecting all the accessories to help complete his ensemble. You helped alleviate any worries or concerns we might have had about his attire for these special occasions.

Thanks, again, for all your help.

Sincerely,

Jacqueline Murtaugh
